Dexter the mathematician

Dexter's shenanigans

Initially all the goats are happy!

- Dexter touching a happy goat makes it sad.
- Dexter touching sad goat makes it happy

Dexter's shenanigans

On first day, dexter dexter touches every goat

On second, dexter touches every 2nd goat

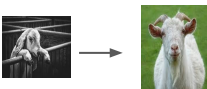

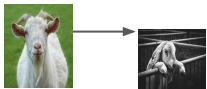

On third, every third goat

On fourth, every fourth

...

Up to 100 days

Which goats are sad at end?

solution

Goats associated with a perfect square will be sad due to having an odd number of factors

Math Club charity poker tournament

Straight up raisin it, and by “it”, I mean money for charity.

Math Circle anniversary volunteering
